ADMISSION NOTICE

Leadership & Change Management

A Two-Day Weekend Course by IBA, University of Dhaka

BACKGROUND

As part of its continuous commitment to enhance management efficiency in changing economic and business dynamics, the Institute of Business Administration (IBA), University of Dhaka is offering a two-day certificate course on ‘Leadership’. Accomplishing the most, with and through others, requires leaders to know their own styles and tendencies and to appreciate the same of others. The diversity of our working relationships requires us to be more flexible in connecting with others. Being an effective leader of a team requires the ability to capitalize on a wide range of personalities, skills, and abilities.

OVERVIEW

This course is designed to help participants gain personal insights into the leadership style and learn the tools and techniques required to become an inspiring leader. It is meant for those who wish to better understand and further develop their potential and inclination to lead others. This course will provide you with a framework for that skill and a outline for that journey. As you rise in your career, you will need multiple and often conflicting constituencies on board to follow your vision. But if you don’t lead, others will not follow. This course will help you hone some of the essential self-reflective skills you need in order to give form and substance to such vision.
