

### A level & O level GPA Calculation:

- Letter Grades of O Level and A Level subjects will be converted into grade points as follows: A=4, B=3, C=2 and D=1.
- GPA will be calculated by taking average of the best five grades (only one D grade is acceptable) for O Level and the best two grades (only one D grade is acceptable) for A Level. While calculating the GPA, grades below D will not be considered.
- Minimum GPA of 2.00 in both O Level exam and A Level exam separately.
