BACKGROUND

Leveraging Information and Communication Technology is a prime vehicle for pursuing growth, employment and competitiveness. Backed by its vision of Digital Bangladesh, the Government of Bangladesh (GoB) is committed to support the Information Technology and Information Technology Enabled Services (IT/ITES) industry by building human competencies.

Institute of Business Administration (IBA) of University of Dhaka, with support from ICTD, BCC and LICT has launched an executive training program – *Advanced Certificate for Management Professionals (ACMP) 4.0* – for middle management professionals in the IT/ITES industry. Starting from October 2017, IBA has so far trained 520 such professionals from 101 companies. Given the success of the program and resultant demand, IBA, with support from GoB, is going to take a new cohort of trainees during spring 2019.

ELIGIBILITY CRITERIA

The ACMP 4.0 is for management professionals in the IT/ITES Industry. The Participants should have graduation degree and at least have-

- 2 years of experience after graduation and must supervise a team of 5 Employees or,
